There will be no more homework clubs within school only the Study Club for P7 ONLY. Mrs Callan will supervise all R-P2 clubs except Fitness for Kids and Drama, the other after school clubs will be a mixture of school staff and outside providers. It is important therefore that children are collected promptly from Clubs particularly the clubs which finish at 3pm as often the teachers are needed to start another club. Thank you for your cooperation in this matter and I hope the children enjoy the new clubs. STEM club is a science technology engineering and maths club for the P3- P7 children.
